Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded prescription has  
improved the quality of my life by  
improving my sleep + anxiety symptoms  
among others (HRT)

Also - I live in a remote area this specialized  
pharmacy I use is EXCELLENT + a  
godsend! Don't know what  
I'd do without them!
